

DEKALB COUNTY ILLINOIS
SENIOR TAX LEVY
BIDS FOR ONE-TIME PURCHASES

Background

In April 1997 the voters of the County of DeKalb passed a resolution to assess a tax of up to .025% of the county's assessed property value for the provision of social services for DeKalb County elderly residents. The resulting funds would be collected and distributed by the DeKalb County Board. Over the past nine years there have been funds allocated but not expended. This has created a fund balance that the DeKalb County Health and Human Services Committee has decided to make available for one-time purchases, which would enable the bidding agency to better respond to the needs of DeKalb County's Seniors.

Purpose

The intent of this request for bid proposals is to contract for one-time purchases, which would be used to prevent the unnecessary institutionalization of elderly DeKalb county residents.
