*** Sec. 24-5. Physical fitness and professional growth.** School boards shall require of new employees evidence of physical fitness to perform duties assigned and freedom from communicable disease, including tuberculosis. Such evidence shall consist of a physical examination and tuberculin skin test, and if appropriate, an x-ray, made by a physician licensed in Illinois or any other state to practice medicine and surgery in all its branches not more than 90 days preceding time of presentation to the board and cost of such examination shall rest with the employee. The board may from time to time require an examination of any employee by a physician licensed in Illinois or any other state to practice medicine and surgery in all its branches and shall pay expenses thereof from school funds. School boards may require teachers in their employ to furnish from time to time evidence of continued professional growth. (Source: P.A. 78-344.)
