

DEKALB COUNTY GOVERNMENT

FY 2010 BUDGET

QUICK PRICE GUIDE

(July 1, 2009)

This guide is designed to give you quick information about how much to budget for items that are purchased frequently by many departments. You may still budget the amount you desire for these items, but if you request more money than the price listed below, please be prepared to provide rationale for the additional dollars. You may always request fewer dollars.

A. Tier 1

Fulfills standardization goal of County while offering competitive prices for reliable and supported systems. Items recommended and supported by IMO include Dell hardware and Microsoft office software. Corel Software is recognized as the preferred software by some County offices. While not the standard, IMO will do its best to assist Corel users.
